

## Awareness rally on drugs organized by Manikeshwar Nagar Welfare Association

“Indian Chronicle OU January 04: The President of Manikeshwar Nagar Welfare Association, Gandikota Kumar, said that the youth should not lose their precious lives due to drugs. Hyderabad Manikeshwar Nagar Senatu Drugs organized a rally to create awareness on drugs. On this occasion, the President of Manikeshwar Nagar Welfare Association, Gandikota Kumar, said that the youth are becoming addicted to drugs, marijuana, alcohol and spoiling their lives and also causing trouble to those around them. Today, a large-scale meeting was held with the youth in Manikeshwar Nagar to say that the youth should not be affected by drugs. Osmania University Inspector Appalanaidu inaugurated the program and made it a success by organizing a rally for kilometers and going to every house to provide drugs. Secunderabad constituency Congress leaders Adam Santosh expressed solidarity with this program. A large number of youth participated in this rally irrespective of parties and made the program a success. Manikeshwar Nagar Welfare Association Vice President Alakunta Mallikarjun, General Secretary Bodasu Anjaneyulu, Treasurer P. Treasurer P. Srinivas, Organizing Secretaries G. Kiran, B. Narasimha, Advisors Chandrasekhar, Bhargava Raj, Narasimha and others participated in this program.

## CMR school 26 th annual day celebrations

Secunderabad cantonment January 4 (Indian Chronicle): “In a dazzling display of cmr high school , celebrated its 26th Annual Day Celebration Day that was aptly titled “ENCHANTE 2025-26 of a Decade.” The air was filled with excitement and nostalgia as the school marked a significant milestone in its journey of shaping young minds. Medchal MLA Ex minstar Mallareddy were the chief guests while cmr educational Institute's boss ch Gopal Reddy, was the guest of honour. “Their expressed gratitude to the parents, teachers, and the management for their unwavering support in achieving the school's milestones. The event unfolded with a mesmerizing showcase of talent, featuring songs. English, Hindi, and Telugu. The stage

came alive with a burst of colours, vibrant costumes, and the melodic harmony of musical instruments. Indo-western dance performances and thought-provoking skits added layers of depth to the celebration. The inclusion of pyramids, robotics, and skating as attractions elevated the experience. Parents were filled with boundless joy as they witnessed their children perform with confidence in front of a thousand-strong audience. The event reflected a decade of dedication, growth, and academic excellence. After the event Mallareddy distributed the prizes.

# Work Dedicatedly for Resolving Public Issues: Talasani Srinivas Yadav BRS Leaders Felicitate Sanathnagar MLA

**Water Board Staff Swiftly Removing Silted Waste Following Visit of Marri Shashidhar Reddy**

**Former Minister Marri Shashidhar Reddy Reviews Sanathnagar Constituency issues.**

“ Indian chronicle, Secunderabad, January 04 : “Former Minister, former Vice-Chairman, and BJP National Council Member Shri Marri Shashidhar Reddy recently visited the Padmarao Nagar area of Bansilalpet Division to inspect a long-pending problem of sewage water overflowing on the road for several months. After personally reviewing the situation, Shri Shashidhar Reddy immediately lodged a

complaint with the Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) officials. Subsequently, he held a review meeting at the Begumpet BJP office with available BJP divisional leaders to discuss the issue and related problems in the Sanathnagar constituency. Following the meeting, Shri Shashidhar Reddy contacted Water Board Division-7 General Manager Vinod Kumar over the phone to enquire about the progress of the works. GM Vinod Kumar informed him that

he was present behind the hospital premises and that Water Board staff were actively removing silt and waste from previously identified buried sewer manholes. He stated that around 5 to 6 cubic meters of silt had already been removed and that he was personally supervising the ongoing works, which were still in progress. Shri Marri Shashidhar Reddy instructed the General Manager to complete the works at the earliest and ensure that public inconvenience is avoided, emphasizing the need for prompt and effective resolution of civic issues affecting local residents.

“ Indian chronicle, Secunderabad, January 04: “Sanathnagar MLA and former Minister Talasani Srinivas Yadav was felicitated with a shawl and conveyed New Year greetings at the MLA Camp Office by BRS party leaders. Former Corporator Asuri Savithri Mahesh, along with senior BRS leaders Mahender Kumar, Srikanth Reddy, Rambabu, Sudhakar, Janardan, and Sadhanand, met the MLA along with their family members and extended New Year wishes. Addressing the gathering, Talasani Srinivas Yadav advised party leaders and workers to remain continuously connected with the people and work dedicatedly towards resolving public issues. He stated that leaders who stay among the people and address their problems earn recognition and respect. He called upon party cadres to continue public service with renewed commitment in the New Year.

**Birthday celebrations of the CEO of Cantonment.**

“ Secunderabad Cantonment January 4 (Indian Chronicle): “Secunderabad Cantonment Board CEO Arvind drived's birthday celebrations were held on Sunday. On this occasion, All India Cantonment Boards Vice President Jampana Pratap cut a cake with the CEO and congratulated him on his birthday. Murthy Ravikumar Sudheer Reddy Brahmanandam, Venkataramana Rajaiah Vishnu Seshagiri Rao Jagdish Murali Bharat Giri Sagar Babu Mukesh Yadav are participated in the event.

# Petition Submitted to MLA Seeking Drainage, CC Roads, and Drinking Water Pipelines in Basti Dawakhana and Mudiraj Sangham Lanes

“Kishore Vaddepalli, Uppal, January 4 (Indian Chronicle):“Residents of Chilkanagar Division have submitted a representation to the Uppal MLA seeking immediate development works in the Basti Dawakhana Lane and Mudiraj Sangham Lane. The petition was submitted under the leadership of TRS senior leader Kompalli Ravinder Mudiraj.“The residents stated that the underground drainage system in these lanes has completely collapsed, causing sewage water to mix with borewell water. Due to this serious issue, locals are facing severe health and hygiene problems.

They urged the authorities to resolve the issue at the earliest.“Local women and residents requested the MLA to take up construction of CC roads, underground drainage, and installation of new drinking water pipelines in the affected lanes.

“Responding to the appeal, Uppal MLA Bandari Lakshma Reddy assured the residents that new drinking water pipelines, CC roads, and underground drainage works would be taken up soon in the Basti Dawakhana and Mudiraj Sangham lanes.“On this occasion, Kompalli Ravinder Mudiraj felicitated the MLA as a mark of appreciation.“Those who participated in the program include Kompalli Rajkumar, Jinna Narasimha, Ravinder Goud, Elukanti Sandhya, Sunitha, Bhagya, Kanchana, Roja, Sai Reddy, Shankar Reddy, MD Ghouse, Nagaraju, Ramaswamy, Chandrakala, and several other local resides.

## Financial Assistance Extended to Rambabu's Family on the Instructions of Uppal MLA Bandari Lakshma Reddy

“Kishore Vaddepalli, Uppal | January 4 (Indian Chronicle):“On the instructions of Uppal MLA Bandari Lakshma Reddy, senior BRS leader Jalli Mohan extended financial assistance to the family of Rambabu, a BRS party worker residing at Kummarikunta in the Chilkanagar Division.“Recently, a short circuit caused by a water heater at Rambabu's residence led to a fire accident, in which

valuable household items including a refrigerator, washing machine, laptop, and other belongings were completely gutted. Due to this sudden incident, Rambabu's family was pushed into severe financial distress.“After learning about the incident, Uppal MLA Bandari Lakshma Reddy instructed that immediate financial relief of ₹10,000 be provided to the affected family. Accordingly, under the leadership of senior BRS leader Jalli Mohan, the assistance was handed over to the family on Sunday.“The MLA also spoke to Rambabu over the phone, expressed his concern, and assured him that he would personally visit the house soon to review the situation. He further promised to coordinate with the municipal office to ensure that additional financial assistance is provided.“The programme was attended by BRS senior leaders Gudi Madhusudan Reddy, Mukkala Ramakrishna Mudiraj, Erelli Ravinder Reddy, Sanigaram Tirumalesh, Rachaluri Ramakrishna, Kolani Santosh Reddy, Photola Raju, Sadanand Chari, Yadagiri, Pochayya, Thakur Umesh Singh, Katakam Sanjay, Renuka, and several others.

## Ramanthapur Congress President Mohammed Rafiq Tours Sharada Nagar Colony

the residents that their problems would be brought to the notice of Uppal Congress Party In-charge Mandamalla Parameshwar Reddy and concerned officials, and that efforts would be made to ensure a permanent solution. The programme was attended by senior Congress leaders Madhu, Mittugoud Harish Goud, Sumanth, Raghuveer Reddy, Sandeep, Venkanna, Poosa Sattaiah, Besta Bhaskar, Mogili Lingam, Gandla Ramesh, Narasimha, Mohammed Nayeem, Suresh, Suri, Abdul Mateen, Poosa Balraj, Buga Paramesh, Chinna, and others.

“Kishore Vaddepalli, Uppal, January 4 (Indian Chronicle):“Congress Party Divisional President Mohammed Rafiq on Sunday undertook a field-level visit to Sharada Nagar Colony in the Ramanthapur Division. He interacted with local residents and enquired about the problems being faced by the colony.“Residents informed him that issues such as damaged roads, underground drainage, and poorly maintained electricity poles have remained unresolved for the past ten years, despite repeated representations to authorities. They expressed disappointment that their grievances were ignored for a long time.“Mohammed Rafiq assured

# Congress Senior Leaders Pay Courtesy Call on CM's Brother Kondal Reddy

**Those Who Stood by the Party in Difficult Times Will Be Given GHMC Tickets": Kondal Reddy**

Kishore Vaddepalli, Uppal, January 4 (Indian Chronicle): "Senior Congress leaders from Habsiguda and Ramanthapur paid a courtesy visit to Anumula

Kondal Reddy, brother of Telangana Chief Minister Revanth Reddy, and felicitated him while extending New Year greetings. "During the meeting, they held detailed discussions on the current political situation of the Congress Party in the Uppal Assembly constituency, particularly focusing on the party's position and recent developments in the Ramanthapur and Habsiguda divisions under the Uppal circle. "Senior Congress leaders from the Habsiguda division of the Uppal constituency—Janampalli Venkateshwar Reddy, Tavidaboyina Giribabu, Congress Party In-charge and Ramanthapur contested corporator, and Gayam Sridhar Reddy—were present. On this occasion, it was recalled that these leaders had worked tirelessly for the party during challenging times. "Addressing the leaders, Kondal Reddy stated that the party would certainly recognize and reward those who stood by the Congress during difficult periods. He assured that in the upcoming GHMC elections, tickets would be allocated by the party high command to strong and winnable candidates, giving due importance to those who had rendered dedicated service to the party.

# Chilukanagar Sri Bhakta Markandeya Padmashali Welfare Association Unveils New Year Calendar – 2026

““Kishore Vaddepalli, Uppal, January 4 (Indian Chronicle):

“The Sri Bhakta Markandeya Padmashali Welfare Association, Chilukanagar, grandly unveiled its New Year Calendar for 2026. The event was attended by Malkajgiri Member of Parliament Etela Rajender, Uppal Constituency MLA Bandari Lakshma Reddy, former MLA Bethi Subhash Reddy, and Chilukanagar area Corporator Bannala Geetha Praveen, who jointly inaugurated the calendar. “Speaking on the occasion, MP Etela Rajender stated that Padmashali families, who lived prosperously 40–50 years ago and were once known for feeding others, are today facing social and economic backwardness

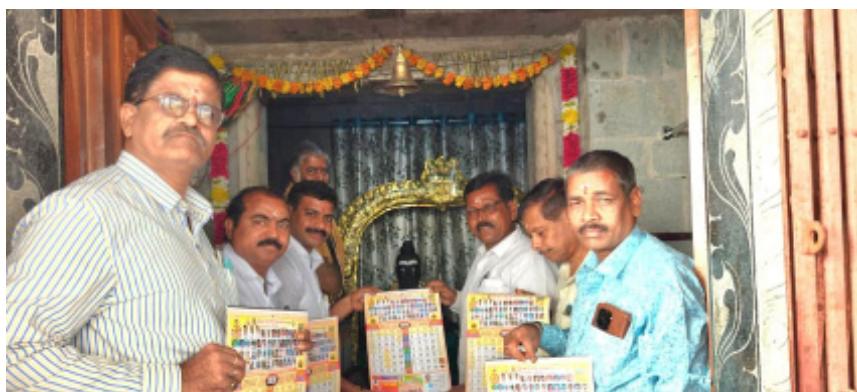

due to changing circumstances. He assured that he would stand in the forefront to support them and share in their joys and hardships. “Uppal MLA Bandari Lakshma Reddy, in his address, said that Padmashalis are intellectually strong and capable individuals. He emphasized that if they guide socially backward families and actively engage in public service, political power will naturally follow. He noted that political authority does not come knocking on one’s door but is earned through hard work and service that appeals to the people. “Former MLA Bethi Subhash Reddy promised his full cooperation, particularly in providing financial assistance for the construction of a community building for the Padmashali

community. “Former Minority Chairman Taduri Srinivas remarked that economic status alone does not define quality of life and that human relationships are more important. He encouraged Padmashalis to grow towards leadership and governance with this perspective. “The event was also attended by Honorable Corporator Bannala Geetha Praveen. Padmashali Telangana State Regional President Vallakati Rajkumar stated that caste identity symbolizes unity and is necessary for collective protection. “Presidents and leaders from nearby areas such as Beerappagadda, Boduppal, and Chowdari Guda Padmashali Associa-

tions, along with Nalgonda District Padmashali Association General Secretary Punna Ravinder, participated in the program. GHMC Greater Padmashali Association Convenor Pasikanti Mallesh, along with prominent industrialists, assured continued support for the welfare of the community. “The inauguration program was conducted in a grand and unprecedented manner under the presidentship of Chilukanagar Padmashali Association President Sakinalla Prasad, with Devasani Balachander serving as the coordinator, making the event a memorable success.

# Vishwakarma Sangham Calendar Unveiled with Grandeur at Chilukanagar Gutta

““Kishore Vaddepalli, Uppal, January 4 (Indian Chronicle): “The New Year calendar unveiling ceremony of the Sri Vishwakarma Sangham was held in a grand manner at the sacred premises of Sri Pothuluri Veerabrahmendra Swamy Temple, located atop Chilukanagar Gutta. The event was organized under the leadership of the Vishwabrahmin community members with great devotion and enthusiasm. “BRS senior leader and GMR Trust Chairman, Gudi Madhusudan Reddy, attended the program as the chief guest and formally unveiled the calendar along with the leaders of the Sri Vishwakarma Sangham. “Speaking on the

occasion, Gudi Madhusudan Reddy praised the Vishwabrahmin community for its commendable services, stating that the Sangham plays a vital role in promoting devotion, social unity, and cultural values. He appreciated the community’s continuous efforts toward social harmony and collective progress. “The program was attended by Sri Vishwakarma Sangham President Pothukunuri Seetaramulu Chary, General Secretary Alugoju Prasad Chary, Treasurer Kattoju Venkata Rama Narasayya Chary, and honorary advisors Vadloori Rajayya Chary, Kondoju Ashok Chary, Maroju Lakshminarayana Chary, Neelakantham Chary, Rallabandi Narasimha Chary, Yasoju Narasimha Chary, Chepuri Brahmachary, Chepuri Veerachary, along with several other members and dignitaries. “The event concluded successfully with the participation of a large number of community members

# Minor Dies After Treatment by Unqualified Practitioner; Accused Arrested in Kaghaznagar

“Taj Khan, Kaghaznagar, January 4 (Indian Chronicle)“Fake Medical Practitioner Arrested for Cheating Public; Minor Girl Dies After Negligent Treatment in Kaghaznagar“A man posing as a medical practitioner without any recognised medical qualifications was arrested for allegedly cheating innocent people and administering negligent treatment that led to the death of a minor girl.“According to police, Madaraveni Akshara, daughter of Ravikumar from Koyavagu village, was taken to the accused’s clinic for treatment. The accused conducted CBP and Widal blood tests, inserted a cannula, administered glucose, and gave a Vamikind injection to control vomiting.“When the girl’s parents returned on the third day stating that her vomiting had not subsided, the accused again administered Vamikind injection through the cannula and referred them to a diagnostic centre in Kaghaznagar for an abdominal scan. The diagnostic report reportedly indicated blood loss through urine due to kidney damage.“Alarmed by her deteriorating condition, Akshara’s parents shifted her to Rainbow Hospital, Hyderabad, for advanced treatment. Despite continued medical care, she was later admitted to

Niloufer Hospital, where she succumbed on December 29, 2025.“Accused Details“The accused has been identified as Tanneeru Bikshapathi (44), son of Narayana, a resident of Sir Silk Colony, Kaghaznagar, in Komaram Bheem Asifabad district. He falsely claimed to be a PMP doctor.“Police stated that, with

limited experience gained while working at Madhu Nursing Home, the accused allegedly set up a separate clinic without any legal qualification, with the intention of earning money by deceiving the public. In 2010, he established a first-aid centre in Koyavagu village under a friend’s name and continued to operate

it illegally.“On November 11, 2025, around 11 a.m., the accused allegedly administered high-dose injections to Akshara, resulting in severe kidney damage, which ultimately led to her death.“A case has been registered, and further investigation is underway.“(K. Kumar Swamy)-Circle Inspector of Police-Kaghaznagar Rural-Investigating Officer

## Sircilla Farmers Shift to Oil Palm Cultivation

**KARIMNAGAR:** Oil palm cultivation is rapidly gaining popularity among farmers in Rajanna Sircilla district, driven by attractive government subsidies and the assurance of a steady income for up to 35 years. As a result, many farmers are gradually shifting away from traditional crops to oil palm, which is considered resilient to natural calamities and wildlife damage.

The transition aligns with India’s efforts to reduce its heavy dependence on palm oil imports from countries such as Malaysia and Indonesia. To boost domestic production, the government is extending substantial financial support to farmers

Under the scheme, small farmers receive up to 90 per cent subsidy on oil palm plants, while farmers belonging to Scheduled Caste and Scheduled Tribe (SC/ST) communities are eligible for 100 per cent subsidy on drip irrigation equipment. While the market price of a single plant is around ₹213, farmers can procure it for as little as ₹20. In addition, the government provides subsidies amounting to approximately ₹52,000 per acre over a four-year period.

Unlike many conventional crops, oil palm is highly resilient and is less affected by heavy rains, hailstorms or cyclones. The crop is also largely safe

from damage by monkeys and wild animals. During the first four years, farmers can cultivate vegetables, turmeric or flowering plants between the rows to earn additional income.

Harvesting begins from the fourth year, with yields initially ranging between five and seven tonnes per acre. Production increases steadily to around 15 tonnes per acre by the seventh year. A processing factory located at Narmetta in neighbouring Siddipet district ensures easy marketing, with companies collecting the produce directly from farms and crediting payments to farmers’ bank accounts within a week.

# BRS leader Praveen Kumar joins striking sanitation workers, seeks immediate wage payment

“Taj Khan, Kagaznagar, January 4 ( Indian Chronicle)“Sanitation workers of Kagaznagar Municipality, who have been on an indefinite strike for the past six months over non-payment of salaries, intensified their protest on Saturday night by sleeping on the ground in front of the municipal office.“Expressing

solidarity with the workers, BRS State General Secretary Dr. R. S. Praveen Kumar joined the protest and slept alongside the sanitation workers outside the municipal office.“Speaking on the occasion, Dr. Praveen Kumar said that workers had been facing severe financial hardship due to the non-payment

of wages for the last five to six months. He expressed anguish that such a deplorable situation existed in a department directly under the Chief Minister and questioned the condition of employees and workers in other departments.“He warned that failure to provide workers with due respect and timely salaries

could seriously affect public health and sanitation, posing risks to citizens.“Demanding immediate action, he said the Congress government must resolve the municipal workers’ issues without delay.“If the problem is not addressed promptly, the agitation will intensify further,” he cautioned.

## Additional Collector stresses strict voter mapping ahead of municipal polls

““Taj Khan, Kagaznagar, January 4 (Indian Chronicle)““District Additional Collector (Local Bodies) Deepak Tiwari on Sunday directed officials to carry out the ward-wise voter mapping process in all municipalities with utmost precision.“The Additional Collector inspected MC Gafi School and DAV Laxmipath Singhania School in Kagaznagar, along with Kagaznagar Sub-Collector Shraddha Shukla and municipal commissioners. During the visit, he reviewed the facilities provided at polling stations and the door-to-door survey being conducted as part of the comprehensive revision of electoral rolls.“Addressing officials, Tiwari said that the voter mapping exercise within municipal wards must be conducted meticulously. He explained that the electoral rolls provided by the Election Commission of India had been made available on the TEPOL portal, and that while voter lists were available polling-station-wise for Assembly constituencies, municipal voters must be mapped ward-wise.“He instructed officials to thoroughly examine objections and complaints received on the draft electoral rolls and to take steps to prepare an accurate and transparent voter list in coordination with agents of recognised political parties.

# AIG Hospitals inaugurates Integrated Stroke Command Centre in Hyderabad

Hyderabad: Asian Institute of Gastroenterology (AIG) Hospitals on Sunday inaugurated its state-of-the-art Integrated Stroke Command Centre, an initiative designed to begin stroke management from the moment an emergency call is received, reducing delays in diagnosis and treatment.

The Centre will enable real-time coordination between the emergency call centre, advanced life-support ambulances, radiology services, neuro-intervention teams, and hospital command staff. It ensures continuous monitoring, live communication, pre-hospital data transmission, advanced patient registration, and immediate activation of stroke protocols even before the patient reaches the hospital.

Dr. D. Nageshwar Reddy, Chairman, AIG Hospitals, said, "The Stroke Command Centre is the first step towards stroke awareness, early recognition, and timely intervention."

## Illegal Cattle Blood Racket Busted

Hyderabad: Two men were caught extracting blood cruelly from sheep and goats at a butcher's shop in Keesara, where police seized 130 packets of blood stacked with 'human blood' stickers.

According to officials, the duo identified as – Sanjeev, a doctor, and Sonu, caretaker of the shop – had drawn blood from 30 cattle that were alive using vacutainer needles meant for human sample collection. Each packet contained 750 ml and was priced at ₹5,000.

Veterinary doctors confirmed that cattle blood cannot be sold or injected into humans under any circumstances. Investigators said the men were supplying the blood to a trading company in Kacheguda for use in blood agar plates, which laboratories employ to detect pathogens.

Authorities stressed that such collection requires prior approval from the Animal Welfare Board and must not violate anti-cruelty norms.

Though Keesara police have not registered a case, they alerted the Greater Hyderabad Municipal Corporation (GHMC) and the Animal Husbandry Department. GHMC officials booked a case, seized the packets, and wrote to the collector and district magistrate of Medchal–Malkajgiri for further action.

Sources revealed the duo had been illegally selling goat and sheep blood for nearly three years. Inspector A. Anjaneyulu said the raid was conducted at Sonu Chicken and Mutton Market in Rampally following a tip-off, leading to the seizure of the packets and exposure of the racket.

## Telangana: State Plans Flyover from ICCC to Shilpa to Ease Traffic Snarls

Hyderabad: The state government is planning to build a 9-km elevated corridor from the Integrated Command and Control Centre (ICCC) in Banjara Hills to the Shilpa Layout Flyover Road.

This project is expected to ease traffic bottlenecks at multiple places. Road number 45 Jubilee Hills, Film Nagar, Jubilee Hills Checkpost are some of the bottlenecks where commuters will breathe a sigh of relief. This elevated corridor will also ease traffic on the road heading towards Meenakshi Towers and Hitec City too. In addition to this, this corridor will ease traffic coming towards Nanakramguda and other offices in the Financial District from the city via Banjara Hills and Jubilee Hills.

Similarly, in addition to the IT employees and staff working in companies in the Financial District, this project will also benefit the residents living in dozens of housing societies in the Financial district. This elevated corridor will be used to enter and exit the core city through the Outer Ring Road area via Banjara Hills.

This project will be taken up by the Hyderabad Metropolitan Development Authority (HMDA). "We are also engaging consultant for the preparation of detailed project report (DPR) for construction of Elevated Corridor from ICCC to Shilpa Layout flyover Road," said an HMDA official.

In recent times, this is the third elevated corridor that the HMDA has proposed with two other projects being, Paradise Junction to Shamirpet ORR, and Paradise Junction to Dairy Farm Road on NH-44.

"We want to design the flyover in such a way that, if Metro Rail comes up connecting Banjara Hills and Shilpa Layout Flyover Road, the same pier system of the elevated corridor should be used," said an HMDA official.

"With 'same pier system' being one of the aspects, a study will be done to check the number of properties that need to be acquired, environmental impact, traffic assessments and other aspects," he added.
