## Congress Leaders Submit Petition Seeking Street Lights and Removal of Water Hyacinth in Devender Nagar, Boduppal

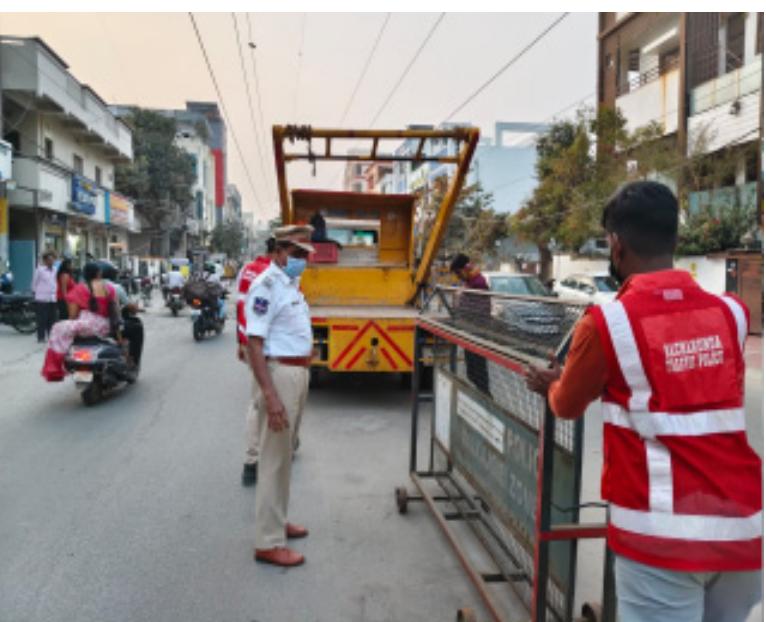

““NARRA SRINIVAS REDDY (NSR), Medchal - Malkajgiri Staff Reporter, January 31, (INDIAN CHRONICLE):““Congress Party senior leaders and local residents submitted a petition to the Boduppal Circle Deputy Commissioner Sailaja, demanding the installation of street lights in Devender Nagar Colony and the immediate removal of water hyacinth from nearby lakes and canals. The petition was led by Devender Nagar Colony president Dayyala Mahesh along with Congress Party in-charge Jinna Raju and colony residents. They stated that the accumulation of water hyacinth (gurra pu dekka) in lakes and drainage canals has become a major cause of mosquito breeding and water pollution, leading to serious health problems among local residents. Speaking on the occasion, Dayyala Mahesh said that water hyacinth growing in lakes and canals is the primary reason for the rapid increase in mosquitoes and the spread of diseases. He emphasized that temporary removal is not sufficient and demanded permanent clearance of the accumulated hyacinth to effectively control mosquito breeding and protect public health. He further stated that water hyacinth clogging canals and lakes has turned into a severe problem for the people of Boduppal and urged officials to take immediate action. The delegation also requested the installation of street lights in Devender Nagar Colony, citing safety concerns and difficulties faced by residents during night hours. The leaders appealed to GHMC officials to respond promptly and implement long-term solutions by completely removing water hyacinth from water bodies and ensuring basic civic amenities in residential areas. Those who participated in the program included Congress Party in-charge Jinna Raju, former Devender Nagar Colony president Duppalli Bhagavan, vice presidents Panga Ramesh and Jogi Sudhakar, Marepaka Madhu Kumar Madiga, colony treasurer Nakirtha Somesh Kuruma, along with other colony members. “[7:21 PM, 1/31/2026] Nsr: End

## Appeal to Kushaiguda Traffic Police Residents Demand Barricades Along Entire Stretch

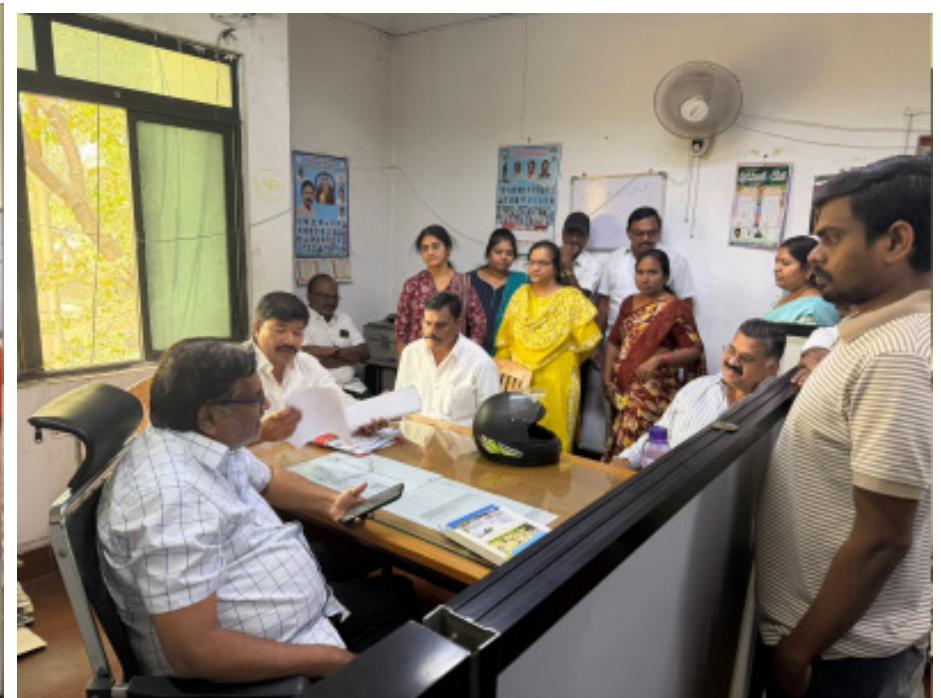

"NARRA SRINIVAS REDDY (NSR), Medchal - Malkajgiri Staff Reporter, January 31, (INDIAN CHRONICLE):"“Residents of Srinivas Nagar Colony have urged the Kushaiguda Traffic Police to install barricades along the entire High Tension Line Road, stating that the four barricades placed on Friday are inadequate to address the ongoing traffic and safety issues. According to locals, merely installing a few barricades does not resolve the problem. They have demanded comprehensive measures across the entire stretch instead of temporary or symbolic action. The High Tension Line Road passes through a busy commercial zone with three to four shopping malls and the Sai Ganga Function Hall. Due to the absence of proper parking facilities for these establishments, vehicles are being parked on the road, causing severe inconvenience to residents. Locals have expressed serious concern over frequent traffic congestion and the increased risk of accidents, especially for pedestrians. Residents have squarely blamed the Greater Hyderabad Municipal Corporation (GHMC) for the situation. They pointed out that while authorities installed road dividers from Netaji Nagar Junction to Gandhi Nagar Road, the High Tension Line Road from Srinivas Nagar towards Radhika has been neglected for years, raising serious questions. The absence of a road divider has turned this stretch into an accident-prone zone, with traffic chaos becoming a daily occurrence. Despite repeated complaints, GHMC officials have failed to take permanent measures such as constructing a divider or implementing effective traffic regulation, residents alleged. In this backdrop, locals have made a specific appeal to the Kushaiguda Traffic Police, stating that the four barricades installed on Friday are insufficient. They have demanded that barricades be placed continuously without gaps along the entire High Tension Line Road, from Gandhi Nagar Road towards Radhika, covering the Srinivas Nagar Colony area. Residents have also requested that these barricades be maintained until GHMC undertakes the construction of a permanent divider. They have further demanded that GHMC authorities immediately initiate work on a permanent road divider on the Srinivas Nagar High Tension Line Road and put an end to the negligence that is endangering public safety.

# Demand to Immediately Stop Construction of Gas Godown in Uppal Bhagayat

## Demand by Uppal Bhagayat Residents

### Colony Residents Submit Representation to Uppal Deputy Commissioner, Town Planning Officials

“KISHORE VADDEPALLI, Uppal, January 31 (Indian Chronicle):”“Residents of Uppal Bhagayat, under the banner of their association, submitted a complaint on Saturday to the Uppal Deputy Commissioner and Town Planning officials, demanding the immediate stoppage of a newly constructed gas godown in the area. Local residents, especially women, have expressed serious concern over the construction of the gas godown. They informed the officials that establishing a hazardous gas godown in close proximity to a residential area poses a grave threat to public safety. The area is densely populated with houses, and a large number of children and elderly people reside there. The presence of a gas cylinder storage godown raises the risk of fire accidents or explosions, which could result in massive loss of life and property in the event of any mishap. The residents stated that women and children are living in constant fear due to this construction. In their

representation, they also expressed doubts about whether the required safety standards, fire safety clearances, town planning permissions, and approvals from other concerned departments had been properly obtained for the construction of the godown. They pointed out that permitting such a dangerous facility in a residential locality could be in violation of government rules and regulations. Considering the seriousness of the issue, the residents of Uppal Bhagayat, on behalf of women in the locality, officially submitted a complaint to the Town Planning Officer, Nagireddy, and the Deputy Commissioner. They urged the authorities to take immediate action on this critical public safety issue. Therefore, the residents appealed to the concerned authorities to immediately halt the construction of the gas godown, conduct a comprehensive inspection, and take appropriate action by prioritizing public safety. If necessary, they demanded that the godown be relocated away from the residential area.

# Cybercrime Police Detect 8 Cases, Arrest 9 Accused in One Week

“NARRA SRINIVAS REDDY (NSR), Medchal - Malkajgiri Staff Reporter, January 31, (INDIAN CHRONICLE):“The Cybercrime Police, Malkajgiri Commissionerate, detected eight cybercrime cases and arrested nine accused during the week from January 24 to January 31, 2026. The investigations revealed the involvement of organized cybercrime networks operating across multiple states in India. Among the detected cases, six were related to investment fraud, one to digital arrest fraud, and one to part-time job fraud. Most of the arrested persons were found to be mule account holders who provided their bank accounts to cyber fraudsters on a commission basis, facilitating large-scale financial fraud. The Cybercrime Police also secured refunds amounting to Rs.15,46,628 through court orders, which were successfully returned to victims. In a major digital arrest fraud case, the victim was threatened by fraudsters impersonating officials from TRAI, CBI, and the Supreme Court and was coerced into transferring Rs. 56 lakh. Two accused linked to this case were arrested in Visakhapatnam. Several investment fraud cases involved victims being lured through WhatsApp and Telegram groups, fake trading applications, IPO scams, and social media advertisements promising high returns. Fraudsters initially credited small amounts to gain trust before blocking withdrawals and siphoning off large sums. The arrested accused belong to Telangana, Andhra Pradesh, and Maharashtra, confirming the pan-India nature of the cybercrime syndicates. Public Advisory. Police advised citizens not to trust unknown calls, messages, or social media advertisements promising high returns. People were warned against sharing bank details, OTPs, Aadhaar, or PAN information and cautioned that renting or selling bank accounts is illegal. Citizens were urged to verify investment platforms through official regulators like SEBI. Victims of cybercrime were advised to immediately call the National Cyber Crime Helpline 1930 or report to the nearest Cyber Crime Police Station.

# Dwajarohanam Ceremony Performed According to Scriptures at Venkateswara Temple

“Secunderabad Cantonment. January 31 (Indian Chronicle):“The Brahmotsavam celebrations at the Venkateswara Swamy temple in Bowenpally New City Colony, popularly known as 'Poor Man's Tirupati', are being held with great pomp and splendor. As part of the Brahmotsavam, on the second day, the processional deities of Sri Venkateswara Swamy and the main deity of the temple were specially adorned with colorful floral garlands. Lord Srinivasa, the ruler of the entire universe, gave darshan to the devotees in this special attire. In this sequence, on Saturday morning, amidst the chanting of Vedic mantras by the priests and the recitation of Govinda and Rama names by the devotees, the Dwajarohanam ceremony was performed according to the scriptures, with the flag being hoisted onto the flagpole. The priests, Ranganatha Charyulu, explained that the flag hoisting ceremony serves to invite all the deities to the Brahmotsavam and contributes to the welfare of society and the prosperity of families. The chief priest, Srikanthacharyulu, explained to the devotees that those without children would be blessed with offspring if they partake in the Garuda Prasadam. In the evening, the Bheri Puja and the Shesha Vahanam service of Lord Venkateswara were held grandly in the temple premises. Jampana Pratap inaugurated the festivities, while Bhanunarmada, a civilian nominated member of the Cantonment Board, presented clothes to the priests. The temple committee members announced that the Kalyana Mahotsavam (wedding ceremony) of Sri Venkateswara Swamy will be held with great grandeur on Sunday evening. The program was attended by Narayana, Yadiah, Rammohan, Jampana Vidyavathi, Narsing Rao, Sambasiva Rao, priests Pawan, Deepak, and Sridhar, along with a large number of devotees.
