Man Alleges Harassment, Illegal Case by Peddapalli CI

“Hyderabad Correspondent, September 15 (Indian Chronicle): Alleging that he was being targeted through false cases and harassment, Peddapalli district resident Kukka Kanakaraju on Tuesday sought action against Circle Inspector K. Praveen and urged senior police officials to intervene. Addressing a media conference at the Hyderabad Press Club on Tuesday, Kanakaraju alleged that he faced caste-based abuse and death threats from Chelakala Srinivas and others during a dispute over the purchase of a flat. Though he approached the local police, an FIR was not registered for nearly a month, he claimed. Kanakaraju alleged that the CI repeatedly called him for a compromise and warned of cases against him if he refused to comply. He said he subsequently approached his

community organisations, which staged protests before the Collectorate, following which police registered a case against Srinivas and others. He further alleged that the CI retaliated by registering a case against him on Saturday based on a complaint from one of the persons he had accused of caste abuse. Kanakaraju claimed he was

accused of attacking the complainant and others at a venture a month earlier, a charge he described as fabricated. Alleging that the action was linked to his Madiga community background, he sought cancellation of the case and action against the CI under the SC/ST (Prevention of Atrocities) Act. He warned that he would approach the State and National Commissions for Scheduled Castes if justice was denied.

Telangana Agitators Identification Committee Seeks FIR Records from DGP

“Tarnaka, September 15 (INDIAN CHRONICLE): “As part of the ongoing process to comprehensively collect details of activists who played a key role in the Telangana statehood movement and faced cases, arrests and imprisonment during various phases of the struggle for a separate state, members of the Telangana Government Agitators Identification Committee, Mothe Shobhan Reddy and former MLC Ramulu Naik, met Telangana Director General of Police C.V. Anand, IPS, at the DGP office in Hyderabad. “During the meeting, the committee members requested the DGP to provide the committee with available official police records pertaining to FIRs and cases registered against Telangana movement activists during the statehood agitation. They sought details relating to arrests, remand, imprisonment and other police records connected with cases booked against activists during the movement. “The committee members explained that the official records available with the police department would play a crucial role in identifying genuine Telangana movement activists who participated in various stages of the struggle and faced legal action for their involvement in the statehood movement. “They stated that the collection and verification of relevant records is an important part of the government’s initiative to recognise the sacrifices and struggles of Telangana activists and provide them with due honour and recognition. They emphasised that authentic police records would help the committee verify the claims of activists and establish an official record of those who faced cases, arrests and imprisonment during the movement. “Responding to the request, DGP C.V. Anand assured the committee members that the police department would extend the necessary cooperation and assistance in the process of identifying Telangana movement activists. He also assured them that appropriate instructions would be issued to the concerned officials to facilitate the collection of relevant records and available data, the committee members said. “The committee members expressed the view that properly documenting the struggles, sacrifices and contributions of Telangana activists would be an important step towards preserving the history of the statehood movement. They said that ensuring that the sacrifices of those who fought for the formation of Telangana are reflected in official records would help future generations understand and remember the history of the movement. “The meeting was seen as an important step towards strengthening the process of identification and recognition of genuine Telangana movement activists through official records and documentary evidence.

Flood Relief Amount Releases

BETTIAH/BIHAR, SEPTEMBER 15 (INDIAN CHRONICLE)

“On Tuesday the Chief Minister Samrat Chaudhary released Amount 579.23 crore through DBT (Direct Benifit Transfer) to the accounts of 827472 flood victims families as 7000 per victim family .As the CM assued those whose name could not be listed, he directed the officers to mention such names within a week who could be able to get relief Amount.The function of relief camp will be continued till the normalisation of the situation. As in this monsoon season the rain pouring is 30 percent less in Bihar in comparison of the last year.But the heavy rain in Nepal, Utter Pradesh and Madhya Pradesh overflowed the rivers of Bihar and the flood situation became grim in the state.During the period of flood the work of the NDRF and the SDRF team is appreciable both the teams have saved the lives of several people during the period of flood in the state.”

As the Gandak river originates from the Himalyan ranges of Tibbet and crosses the area of Nepal to connect several rivers in Nepal territory and enters the area of West Champaran District of Bihar in Indian territory. As in this year the flash flood of Nepal brought disaster through this river in several districts of Bihar as West Champaran, East Champaran, Gopalganj, Saran, and Vaishali. As the flood of the Ganga,the Sone and the Kosi as well as other rivers in Bihar made the situation alarming. After receding the Gandak water the erosion has made the situation panic in the Gandak basin areas of Bihar.As the flood of the Ganga,Sone and Kosi rivers also affected lacs of people in several areas of the state.³As in West Champaran district the erosion of the Gandak has badly affected in the area of Madhubani block and Nautan blocks of the district.As a Social worker cum JD(U) leader of Gaunaha block area under West Champaran Mobin Ahmad said that the government should launch a plan to save the people of Bihar from the danger of flood and the dole distribution would not be the solution of such menance.”

Aspirants demonstration

“On Tuesday the aspirants of the 70 the BPSC(Bihar Public service commission) and the recruitment of the Sub Inspectors in Bihar police demonstrated in Patna against the defalcation in the recruitment. They demanded the cancelation of such recruitmen.As the agitators rached near JP Golamber and tried to break the barricade of the police ,the police team blow mild lathi charge to dispers the mob.As the aspirants demanded the probe in this recruitment. Some agitators alleged that the government had adopted delayed technique to shot out such problems. In the beginning the aspirants raised objection in this regard and the government assured to probe the matter but the time passed and the government could not take any further action in this regard.Therfore the aspirants assembled in Patna and launched a demonstration.”

Political temperature becomes hot.

“On the name of the UCC (Uniform civil code) the political temperature has become hot in Patna after the announcement of the Home Minister Amit Shah that UCCwill be implemented in the BJP rules state.After that some JD(U) leaders as Lalan Sngh and others met with the former CM Nitish Kumar and discussed about the present situation.Some JD(U) leaders of Bihar said that they coluld not agree with the implementation of such rule in Bihar.As the RJD leaders also announced to oppose the UCC in Bihar.As the leader of the RJD cum MLA Bhai Birendra offered Nitish Kumar to form a new government with the RJD in Bihar.The JD(U) party should break it's treaty with the BJP on this issue.As India is not a Hindu Rastra but a secular country for all the people of various castes and religions.”

tivities in their locality.Police also appealed to residents to inform them whenever they notice drug-related issues or suspicious activities in the colony. They stated that public participation is essential for eradicating drugs and building a safer society.

Ponnam Prabhakar to inaugurate breakfast programme for 49,025 students.

Karimnagar September 15, Sikandar Mohiuddin (Correspondent): The Telangana government is set to extend its School Breakfast Programme to Karimnagar district, with 49,025 students in 669 government schools and 11 government junior colleges across 17 mandals slated to receive breakfast every day.

A centralised community kitchen established at the Karimnagar Market Yard at an estimated cost of ₹8 crore, with a capacity to cater to 50,000 students a day, will be inaugurated by Minister for Transport and BC Welfare Ponnam Prabhakar on Wednesday.

The programme is being implemented with the Hare Krishna Movement Charitable Foundation India as the implementation partner. Students in the Karimnagar, Huzurabad, Choppadandi and Manakondur Assembly constituencies will be covered.

According to the proposed distribution plan, 16,544 students in Huzurabad, 8,645 in Manakondur, 7,481 in Choppadandi and 16,355 in Karimnagar constituency will receive breakfast.

The weekly menu will include idli and sambar on Mondays, puri and aloo kurma on Tuesdays, dosa and chutney on Wednesdays, upma and chutney on Thursdays, millet idli and sambar on Fridays and bonda and chutney on Saturdays. Milk will also be supplied on alternate days.

The government said the menu had been designed around familiar food items and age-appropriate portions, with inputs from the National Institute of Nutrition (NIN).

The programme was first introduced as a pilot in the Kodungal Assembly constituency in December 2024. The government said the pilot was followed by an increase in student attendance from 75% to 90%, besides improvements in concentration, classroom participation and punctuality.

The State government is now planning to expand the programme across Telangana, covering about 17.72 lakh students in 23,106 government schools through 31 centralised kitchens. The proposed model also envisages 1,400 distribution vehicles and about 5,000 personnel.

The government said the centralised kitchens would help maintain uniformity in food quality and hygiene while relieving teachers and school staff of kitchen-related responsibilities. It also plans to create direct and indirect employment

opportunities through the initiative.

The State is expected to establish the 31 community kitchens at an estimated cost of ₹245 crore.

Mr. Ponnam Prabhakar said the programme was aimed at improving children's nutrition, health, attendance and learning outcomes. He said providing breakfast would also ease the burden on economically weaker families whose parents leave home early for work.

Tesla to unveil long-delayed next-generation Roadster on October 1

New Delhi: Tesla CEO Elon Musk has announced that the electric vehicle maker will unveil its long-delayed next-generation Roadster on October 1, nearly a decade after the company first showcased plans for a successor to its original sports car.

Tesla's official account on social media platform X posted "Go for launch" along with a graphic displaying October 1 as the date for the event. Musk, who also owns X, subsequently responded to the post, writing, "New Tesla Roadster Unveil 10.01." Rent Classic Cars

The announcement comes after years of delays surrounding the Roadster programme. Tesla first unveiled the next-generation model in 2017 and had initially said that deliveries would begin in 2020. However, the vehicle's development has repeatedly been pushed back. The Information reported in August that Tesla was planning to unveil the redesigned Roadster as early as that month. The report also said the event could feature a demonstration of a limited-edition version equipped with cold-gas thrusters developed in collaboration with SpaceX. Try Sports Cars

The reported demonstration is expected to take place at SpaceX's test facility in McGregor, Texas, according to the report. The Roadster project has also evolved significantly from Tesla's original plans. The vehicle is reportedly being developed as an all-new carbon-fibre hypercar after the company abandoned an earlier approach that would have used components based on the Model S Plaid. The latest announcement comes as Tesla continues to expand its focus beyond conventional electric vehicles and towards autonomous driving. Last week, the company

began offering limited rides in its two-seater Cybercab in Austin, Texas. The vehicle does not have a steering wheel or pedals and is designed around Tesla's vision for fully autonomous transportation.

Musk has described the Cybercab as a key part of his strategy to transform Tesla into a dominant player in driverless vehicles. The Roadster, meanwhile, is expected to reinforce Tesla's performance credentials as the company seeks to bring its high-performance sports car back to the market after years of development delays.
