Merit-Cum-Roster Must Govern Seniority, Promotions in Power Utilities: SC, ST Employees

“Hyderabad Correspondent, September 27 (Indian Chronicle): A clear government order is needed on the system governing seniority and promotions in Telangana’s power utilities, the State Electricity SC, ST Employees Welfare Association has said, demanding implementation of the merit-cum-roster system. Association president Shamma Narayana and Secretary General Ramesh Medi, addressing a meeting at the Hyderabad Press Club, said recent orders issued by four power utilities based on merit ranking had raised concerns among SC and ST

employees over the protection of reservation and roster rights. The association has also opposed T.O.O. Ms.No.954, issued by TSTRANSCO on January 23, 2021, which provides for fixation of inter-se seniority based on merit-cum-seniority for direct recruits and its use for subsequent promotions. Ramesh said that if the government considers merit-based seniority legally valid, it should issue a clear GO through the General Administration and Energy departments in coordination with the Social Welfare department. The association would examine such orders before taking a decision, he said. He argued that the merit-cum-roster system would help ensure representation for SCs, STs, women and the most disadvantaged sections among BCs in seniority and promotions. The association also sought clarity on the Supreme Court judgments cited by power utility managements in support of merit ranking. Clarifying that their protest was not directed against the government or the power utilities, the leaders said their objective was to protect constitutionally guaranteed reservation and roster rights. Shamma Narayana and Ramesh, along with association members, also released a brochure at the meeting highlighting their demands and the proposed protest programme at Vidyut Soudha.

CM's Karimnagar, Sircilla visit to boost cadre morale, says former SUDA chairman 3 crore SUDA funds spent on works around new Collectorate, says Komatireddy Narender Reddy.

Karimnagar September 27, Khaja Sikandar Mohiuddin (Correspondent): Chief Minister A. Revanth Reddy's proposed visit to Karimnagar and Sircilla on September 30 would boost the morale of Congress workers and the public, former SUDA chairman Komatireddy Narender Reddy said here on Sunday.

Mr. Narender Reddy said the Chief Minister would inaugurate the new Collectorate building, constructed at a cost of ₹60 crore, unveil the Telangana Thalli statue and lay foundation stones for several development works.

He said ₹3 crore from SUDA funds had been spent on works around the Collectorate. These included ₹1 crore for the main approach road, ₹65 lakh for a helipad, ₹1 crore for gardens and a synthetic walking track, and ₹30 lakh for the facelift of the old building, he said.

Mr. Narender Reddy alleged that BJP leaders had been resorting to "dra-

mas and attacks" and referred to the recent controversy over water release and an alleged attack during Chakali Ailamma Jayanti celebrations. He said the culture of attacks was not acceptable and warned that the Congress would not remain silent indefinitely.

He attributed the non-functioning of lights on the cable bridge to what he described as a "defective" tender process. The delay in the construction of the road-over-bridge (ROB), he said, was due to the main pier designs being furnished only after three years.

Alleging an understanding between the BJP and BRS, Mr. Narender Reddy said the two parties rarely criticised each other.

He further claimed that BRS leaders were apprehensive about the Chief Minister's proposed visit following Mr. Revanth Reddy's remarks in the Assembly on alleged land-related activities of BRS leaders. Referring to BRS working president K.T. Rama Rao, he said: "It

was one calculation all these days and it will be another from now on."

Corporators Varala Narsingam, Parvatham Malleshram and Jagan Reddy, besides Congress leaders

Gundati Srinivas Reddy, Shabana Mohammed, Asthapuram Tirumala, Jyothi Reddy, Bari, Keerthi Kumar, Anjaiah, Mamidi Satyanarayana Reddy and Khalil, were present.
