“UPPAL, SEPTEMBER 7 (INDIAN CHRONICLE): Uppal Assembly Constituency Congress Party In-Charge Mandumula Parameshwar Reddy strongly condemned the remarks made by BRS MLC Tata Madhu against Telangana Legislative Assembly Speaker Gaddam Prasad Kumar. “He criticised Tata Madhu for making derogatory remarks against the Speaker and his mother, stating that such language reflected the culture of the BRS party. “Parameshwar Reddy alleged that personally abusing Speaker Gaddam Prasad Kumar, who is known for treating everyone with humility and respect, reflected caste arrogance and an anti-Dalit mindset. He said the BRS leadership and the family of its chief K. Chandrashekar Rao had, from the beginning, shown disregard towards Dalits. He alleged that the promise to make a Dalit the Chief Minister was not fulfilled and that a Dalit leader who was made Deputy Chief Minister was later humiliated and removed from the post. MLA Bandari Lakshma Reddy Slams Illegal Arrests of BRS Leaders

“UPPAL, SEPTEMBER 7(INDIAN CHRONICLE): Uppal MLA Bandari Lakshma Reddy strongly condemned the alleged illegal arrests of senior BRS leader Mekala Madhusudhan Reddy, along with other BRS leaders and party workers, and the filing of cases against them for raising public issues and protesting over the non-implementation of promises made by the Congress government during the elections. “He expressed anger over the government allegedly using arrests and police cases to silence opposition leaders who question the authorities on behalf of the people. He said that instead of suppressing the voices of those raising public issues, the government should focus on resolving people’s problems. “Public governance does not mean silencing the voice of the people; it means resolving their problems. Arresting opposition leaders for raising issues on behalf of the people is against the spirit of democracy,” he said. “The MLA alleged that the Congress government, which came to power after making six guarantees and 420 promises during the elections, was resorting to arrests through the police instead of answering questions about the implementation of those promises. He described the alleged arrests and cases against opposition leaders as an example of vindictive politics. “He made it clear that attempts to suppress public movements through detentions, arrests and cases would not succeed if the government continued to ignore its promises to the people. “Leaders may be arrested, but the voice of the people cannot be arrested. BRS leaders and workers will not stop fighting for public issues,” Bandari Lakshma Reddy warned. “He urged the Congress government to respect the democratic right to protest and demanded an immediate end to what he described as illegal arrests and cases, and called for the prompt implementation of the promises made to the people.
