Collector inspects medical students' hostels, assures better facilities.

Karimnagar October 10, Khaja Sikandar Mohiuddin (Correspondent): District Collector Chitra Mishra on Friday night inspected the hostels accommodating medical students in Karimnagar and assured them that steps would be taken to address their grievances and improve basic amenities.

She visited the girls' hostel at Teegalaguttapally and the boys' hostel of the Government Medical College, Kothapalli, being run at the sports complex in Ambedkar Stadium. During the visits, she inspected the hostel rooms and interacted with students to assess the facilities available to them.

Ms. Mishra enquired about the condition of the rooms, the availability of essential amenities and medicines, and the quality of food being served at the hostels. She also sought details of the difficulties faced by students and listened to their concerns.

Stressing the need to provide a conducive environment for medical students to pursue their studies, the Collector said the district administration would accord priority to resolving their problems. She assured the students that deficiencies in hostel facilities would be identified and remedial measures taken.

The district administration would extend the necessary support to ensure that medical students had access to better accommodation and essential facilities, enabling them to concentrate on their academic pursuits, she said.

AIMIM seeks recovery of encroached Waqf lands in Karimnagar.

Karimnagar October 10, Khaja Sikandar Mohiuddin (Correspondent): AIMIM's erstwhile Karimnagar district president Syed Ghulam Ahmed Hussain has urged Minister for Minority Welfare Mohammed Azharuddin to take steps to reclaim encroached Waqf lands, ensure effective implementation of minority welfare schemes and resolve issues faced by Muslims across the erstwhile district.

Mr. Ghulam Ahmed submitted a representation to the Minister at his residence in Hyderabad on Saturday, following the direction of AIMIM president Asaduddin Owaisi. He invited the Minister to visit Karimnagar along with the Waqf Board chairman to inspect the Waqf properties allegedly under encroachment.

He said mosque construction in several villages was being delayed as gram panchayats were withholding permissions on various grounds. He urged the Minister to convene a review with district Collectors to resolve the issue. He also sought periodic reviews, at six-month intervals, to monitor the implementation of minority welfare schemes.

Highlighting the shortage of burial grounds and Eidgahs, Mr. Ghulam Ahmed sought allocation of land in towns, mandal headquarters and divisional centres with sizeable Muslim populations. He said fresh allocations had been limited over the past two decades.

He expressed concern that substantial allocations under the minority welfare budget were not translating into benefits for the intended beneficiaries, with funds reportedly lapsing to the government treasury. He sought the release of pending funds for scholarships, overseas education assistance and fee reimbursement, stating that delays were affecting students pursuing higher education.

He also called for an increase in the number of units under subsidised loan schemes, sewing machine distribution and the Driver-cum-Owner scheme. Subsidised tools and two-wheelers should be provided on a larger scale to Muslim nomadic communities and traditional artisans, he said.

Mr. Ghulam Ahmed informed the Minister that he had submitted a representation to Chief Minister A. Revanth Reddy on the issues during the latter's recent visit to Karimnagar.

Karimnagar dumping yard to get Rs 97-crore waste management push

Mayor promises permanent solution to decades-old problem; 150 tonnes of fresh waste arrive daily.

Karimnagar October 10, Khaja Sikandar Mohiuddin (Correspondent): Karimnagar Mayor Kolagani Srinivas has promised a permanent solution to the city's decades-old dumping yard problem, with ?97 crore earmarked for bio-mining and solid waste management projects.

Mr. Srinivas, accompanied by corporators and municipal officials, inspected the dumping yard on Saturday after fires and smoke were reported at the site. He directed officials to take immediate measures to control the flames, deploying municipal water tankers fitted with motor-operated pressure pumps. Staff were divided into teams to intensify firefighting efforts, and the Fire Services Department was alerted for assistance.

More than five lakh metric tonnes of waste had accumulated at the yard over the past 40 to 50 years, causing smoke and foul odour that severely affected residents of neighbouring areas, the Mayor said.

The tender process for bio-mining works worth ?17 crore under the Swachh Bharat Mission had been completed with the support of Union Minister Bandi Sanjay Kumar. Four machines would be installed shortly, and the civic body aimed to process nearly two lakh metric tonnes of accumulated waste within six to seven months, he said.

The daily arrival of around 150 metric tonnes of fresh waste was making the clearance process more challenging, Mr. Srinivas said. The municipal corporation was also seeking an additional ?20 crore to accelerate the work.

Karimnagar had been sanctioned ?840 crore under the Urban Challenge Fund, of which ?80 crore had been allocated for solid waste management, he said. A processing unit was planned to scientifically handle the daily inflow of garbage and prevent fresh accumulation at the site.

The civic body was taking steps to resolve the problem within 18 months and improve sanitation to protect public health, the Mayor said, reiterating its commitment to addressing the long-standing concerns of residents living near the dumping yard.

Corporators Masam Ganesh, PPA Chandra, Thota Anil, Mekala Venkatesh and Padishetti Vasantha Lakshmi Bhumaiah, besides local leaders Bandari Gayatri, Venkat Reddy and Mondaiya, were present.

NIMS Offers Advanced Endoscopic Surgery for Complex Spine Disorders

""Hyderabad Correspondent, October 10 (Indian Chronicle): Advanced endoscopic surgery for complex spinal disorders is being offered at Nizam's Institute of Medical Sciences (NIMS), providing eligible patients access to specialised treatment free of cost under Aarogyasri and the Chief Minister's Relief Fund (CMRF). The procedures target conditions such as cervical spondylosis, ossification of the posterior longitudinal ligament (OPLL) and ossification of the yellow ligament (OYL), which can compress the spinal cord and progressively impair movement. If left untreated, severe cases may lead to disability or paralysis. A neurosurgery team led by department head Professor Yerramneni Vamsi Krishna and Assistant Professor Dr Mariam Afifa is using unilateral biportal endoscopy (UBE), a minimally invasive technique that allows surgeons to remove bone or hardened ligaments pressing on the spinal cord through two small incisions. The approach can limit damage to surrounding muscles and tissues and may help reduce post-operative pain and recovery time. NIMS has performed endoscopic decompression in complex cervical and thoracic spine cases and selected spinal tumours. Intraoperative neurophysiological monitoring is used to track spinal cord function during surgery, while suitability is assessed individually. The team includes Dr Vasundhara S. Rangan, Dr Aditya Madishetty and Dr Akshay Singh Rajput. The UBE equipment was donated by Bharat Heavy Electricals Limited (BHEL) and the Rotary Club of Secunderabad Sunshine. While similar complex procedures may cost around Rs 5 lakh at corporate hospitals, eligible patients can access treatment free at NIMS through the specified government schemes.

Padmini Rules Out Withdrawing Case Against Sai Prasad, Says Dispute Is Personal

""Alwal, October 10 (INDIAN CHRONICLE):""BJP Telangana Social Media Convenor Padmini has firmly stated that she will not withdraw the case filed against former BJP treasurer Sai Prasad, also known as Team Sai, under any circumstances. Addressing the media, she alleged that she was facing severe pressure to withdraw the complaint and was being subjected to mental distress due to false campaigns against her on social media.Padmini denied allegations that she had filed the case because Sai Prasad had stopped giving her money or that she could be influenced by financial considerations. She alleged that attempts were being made to portray her as someone who could be bought with money, calling such claims baseless. She also denied facing pressure from other political parties.Making further allegations against Sai Prasad, Padmini claimed that he had previously accepted money from other political parties and contributed to the BJP's electoral defeats. She said she had already lodged a complaint with the party leadership regarding his conduct and that the party leadership was looking into the matter.However, Padmini clarified that the dispute between her and Sai Prasad was personal and had no connection with the BJP as an organisation. She emphasised that she continued to work actively for the party.Padmini further stated that she had already approached the police and alleged that pressure was being exerted on her to withdraw the case. Reiterating her stand, she said she would not back down from the legal action and urged that the false allegations and social media campaigns against her be viewed seriously.

Mighty Marathas Register Dominant Win in APL

""Hyderabad, October 10 (Indian Chronicle) : Mighty Marathas registered their first win in the second season of the Archery Premier League(APL), thrash-

ing Chola Chiefs 6-0 at People's Plaza on Saturday. The victory provided much-needed relief to Marathas after their defeats in the first two matches. Team captain Mike Schloesser impressed with a perfect 10 on all six arrows, while Indian star archer Bommadevara Dhiraj delivered at crucial moments. Marathas won the first set 74-73 and clinched the second to take a commanding 4-0 lead. They then sealed the match by winning the third set 74-72. For Chola Chiefs, Taniparthi Chikitha, Deepika Kumari and Marcus D' Almeida failed to make the desired impact."[9:10 PM, 10/10/2026] +91 99661 71672: End
