Farewell to 38 years of impeccable medical services

*"INDIAN CHRONICLE KHAMMAM "" Sandhyarani's services in the field of medicine are memorable ""Khammam: Nursing Superintendent Sandhyarani, who served the government medical field for 38 years with dedication and impeccable service, on the occasion of her retirement, a solemn farewell meeting was held at

Khammam District Government Hospital on Saturday. Doctors and officials have praised her services as exemplary as she started her career as a general nurse and rose to the level of Nursing Superintendent. It is commendable to serve without any blemish for 38 years with dedication to duties, discipline and responsible performance. Her services are said to be an inspiration to today's nursing staff. On this occasion, a large number of colleagues and officers who worked with her in different areas attended and honored her with garlands and shawls. They remembered their association and her contribution. Sandhyarani said that while sharing the experiences of 38 years of working life, he thanked the officers, colleagues and staff who honored him by recognizing his services. Medical Superintendent M. Narender, Deputy Medical Superintendent B. Kiran, Orthopedic HOD L. Kiran, Pediatric HOD B. Baburao, A.D. Santosh, A.O. Avinash, Nandagiri and others participated.

The BJP State Incharge arrived in Patna

Journalist-Ajay Kr Mishra "BETTIAH/BIHAR, OCTOBER 31(INDIAN CHRONICLE)" "On Saturday the BJP General Secretary cum Incharge of Bihar Harish Dvivedy arrived in Patna where on the air port the BJP Workers and laeaders welcomed him warmly.Dwidey took part in a meeting with party leaders and workers in party office Patna.As soon as he arrived on Patna air pirt the party leaders as the State President Sanjay Saravgi, the Ministers of Bihar government Dr Dilip Kr Jaiswal,Ram Kripal Yadav,and other party leades and workers garlanded him and welcomed." As Dwivedy said that he had arrived in Bihar to make the root of Party strong as well as to encourage the party workers.He also reminded the welfare schemes of the PM Modiji such as 'Antoday' and uplifttment of the people of the down trodden class.As the welfare schemes of the PM for the peasants of India which would bring an economic Chamge in their lives .After that he will participate in a meeting with BJP workers and leaders.In this meeting all the members of State Executive ,all MLAs ,party office bearers, will be participated.As the CM Samrat Chaudhary also participates.In the meeting it will be discussed to make the party strong 0n booth level.As the newly elected two MLC named as Rahul Raj of Saran Teacher's Constituency and Brajbashi Banshidhar of Tirhut Constituency also arrived in the meeting. Both are the suspended BJP Workers who came to fray against the party decision and became victorious. " Mean while the former CM Nitish Kumar also inspected the JD(U) office in Patna and encouraged party workers to do work for the welfare of the mass and make the popularity of the party strong among the people.The Party workers also welcomed him.""

Rain damages paddy farming in Bihar

""Heavy rain caused by the arrival of the Cyclone 'Arnab' badly affected the crops like paddy and banana in several districts of Bihar.As the drizzle and heavy rain affected the ripe paddy in the fields.Worst is the position of paddy farming in districts like Baxar, Begusarai, Rohtas, West Champaran ,East Champaran, Sita Madhi ,Darbhanga, Madhubani, Samastipur, Kisanganj etc where paddy crops are fallen down by heavy wind and pouring of rain damaged the crops. As several victim farmers said that they had to face drought like situation in the primary season of monsoon and after hard labour they completed the paddy farming but when the grain ripe the climate changed and the crops destroyed by heavy rain.Now the government should try to announce compensation in this regard. untimely rain has also affected the business of the potter class whose unripe clay Diyas could not be dried yet.As the potters of Bhagalpur and other districts of Bihar have been affected. The forthcoming Deepawli festival always brings a hope of brightness regards their business but now the affect of the Arnab Cyclone has collapsed their business. " As in West Champaran and East Champaran districts of Bihar the Cyclone Arnab has badly affected the crops.Ripe paddy has been affected with rain water.The peasants of Champaran have to face drought and rain every year.As during the period of Champaran Satyagrah Mahatma Gandhi said that after independence Champaran would be known as hub of grain production on the map of globe. As the 'Marcha Chuda ' of Champaran has already got G I Tag but the production of Marcha Paddy is in unsatisfactory state.As in some areas Marcha Paddy farming is completed but in timely rain pouring paddy affected. " As a Leader of the Jan Suraj Party Er Sikandar Chandra said that the government should launch a plan to save the peasants from the havoc of heavy rain and drought as well as the Agriculture Department should try to encourage the peasants towards Marcha Paddy farming to make the economy of Champaran strong.""

5 Day Seminar Concludes

""On Saturday the five days grand seminar regarding drone technology concluded in Government Engineering College Kumarbagh, West Champaran in Bihar ." As the Dean of the College Dr Yogeshwar Dvivedi said that on the last day of the seminar the students of the Engineering College got the training of drone flight and after that a test was conducted regarding the skill of the students in this field.As the Principal of the College Dr Subodh Kumar Yadav ,the traing incharge officer of the college-M.D.Bakar Shahid and the Incharge of the Start up Cell - OM Prakash Ram jointly issued certificates to successful aspirants of the College." As the Workshop was organised from 26 to 30 Ocr 2026 and in this period the students got the training of drone technology. As the main aim of the seminar was to connect the students with the rising drone technology as well as to develop the technology of 'Svadeshi Nirman' of drone. " In the last of the program the Organiser of the Seminar showed their gratitude to the C-deck,the Specialist of Patna,the College administration and the cooperation of the teachers and staff.""

Swords Competition performed

""The grand conclusion of four days Swords Competition was concluded in Khel Bhavan cum Byayamshala Bettiah in which the participant students of various Divisions of Bihar participated and the aspirants of Tirhut Division performed well in this competition. " As the Incharge Sports Officer West Champaran Rakesh Kumar distribute trophy among the winners and expressed their good wishes to all Participants. As such type of program like sports competition has made the identity in the field of sports as well as to encourage the sports activities in west Champaran ."Ajay Kr Mishra "Bettiah/Bihar

Demolition Challenged at Gayathri Hills: Illegal Shed Reconstructed!

"----/BRS Slams Officials Over Inaction; Mandha Sanjeeva Reddy Demands Immediate Demolition"---BRS Leaders Stage Protest Under the Leadership of Mandha Sanjeeva Reddy, Question Re-Construction of Illegal Structure""""BODUPPAL , October 31 (Indian Chronicle):"The issue of illegal constructions within the Boduppal Circle limits has once again become a subject of political controversy. BRS leaders have strongly objected to the reconstruction of a shed that had previously been demolished by officials following a complaint."Led by Boduppal BRS party president Mandha Sanjeeva Reddy, several party leaders visited the site of the shed under construction in Gayathri Hills Colony and staged a protest against the alleged unauthorised construction."The BRS leaders expressed suspicion that the reconstruction of the shed, despite its earlier demolition following a complaint, could indicate possible collusion between certain officials and political leaders."They questioned why the authorities were failing to

take action against the construction, which they alleged was being carried out in violation of the prescribed rules and regulations."The leaders asserted that illegal constructions should not be tolerated, regardless of the influence or support enjoyed by those responsible. They demanded that the Deputy Commissioner intervene immediately, ensure the complete demolition of the structure and initiate appropriate action against those responsible."Those who participated in the protest included BRS party general secretary Meesala Krishna, Kotha Chakrapani Goud, senior leaders Mittapalli Surender Reddy, Talka Shatrughna, Rajireddy, Chintakuntla Bikshapathi, Gore Bhai, Bingi Srikanth Yadav, Krishna Goud, Devanand, Surender Singh, Shivakumar, Pradeep Reddy and Narsingh Naik, among others.

Woman Arrested for Series of House Burglaries in Uppal

48 Tolas of Gold, 1.5 Kg of Silver, and Rs. 2 Lakh in Cash Seized

— Stolen Property Worth Rs. 70 Lakh Recovered, Including an iPhone 17“— Accused Involved in Five Theft Cases, Police Say““UPPAL, October 31 (Indian Chronicle):“Uppal police, in coordination with the Central Crime Station (CCS) team, have arrested a woman allegedly involved in a series of house burglaries within the Uppal Police Station limits. The accused, Bandaru Jaya (25), was found in possession of approximately 48 tolas of gold ornaments, 1.5 kilograms of silver articles, Rs. 2 lakh in cash, and an iPhone 17. Police stated that the total value of the recovered property is estimated at around Rs. 70 lakh.“Accused Identified Through CCTV Footage“As part of the investigation into the series of burglaries, police examined CCTV footage from the affected areas and identified the accused. She was subsequently apprehended near the LB Nagar bus stand.“During questioning, investigators reportedly found that she was involved in five theft cases registered under the limits of Uppal, Meerpet, Bhongir Rural, and Jagadgirigutta police stations.“Houses Targeted When Owners Were Away“According to police, the accused allegedly took advantage of situations in which homeowners had locked their houses and left. She reportedly broke open the locks, entered the houses, and stole gold ornaments, silver articles, cash, and other valuables.The arrest and recovery of a substantial quantity of stolen property by the Uppal police and CCS team have drawn local attention. Police are continuing their investigation into the cases.

Bhashyam Vidyamandir Conducted Student Talent Program

““0cteber 31.(Indian chronicle)Medak.““““Veldurthi: Proving that education is not just about reading books, but true education is about bringing out the creativity, skills, and scientific and technical knowledge hidden in students, Student LED Conference Program was held grandly at the educational institution Bhashyam Vidya Mandir in Veldurthi Mandal.““For this program, various types of LED lighting projects, electronic devices, and science projects made by students under Principal Jayanthi and Correspondent Govardhan Reddy attracted everyone immensely. From small class students to big class students, as they explained the projects made with their own ideas, teachers and parents congratulated them.““Later, Principal Jayanthi speaking said.. "In our Bhashyam Vidya Mandir we give top priority to all-round development of students along with studies. Such conferences will increase self-confidence and interest in innovations among students. Our goal is that our students should grow up to be great scientists in the coming days."““Correspondent Govardhan Reddy speaking said.. "Our goal in Veldurthi region is to provide quality education at Bhashyam Vidya Mandir. Keeping the trust parents have placed in us, we will lead every student towards a golden future."““In this program, school in-charge Ramakrishna, teaching staff, students, and parents participated on a large scale and made the program a success. Parents expressed joy seeing the talent of the students.

Aditya Degree College Students Complete AI Foundation Workshop in Collaboration with IBM and Magic Bus

", LB Nagar: Aditya Degree College, LB Nagar, successfully conducted a workshop titled "Foundation for Understanding AI" in collaboration with IBM and Magic Bus, aiming to equip students with essential knowledge of Artificial Intelligence and practical digital skills.""Upon successful completion of the programme, certificates were distributed to the participating students by Principal R. Nagendra Babu, who appreciated their enthusiasm, active participation, and commitment to learning emerging technologies.""The Principal particularly congratulated the students who demonstrated their technical skills by creating websites during the programme. He encouraged them to continue exploring innovative technologies, strengthen their programming skills, and use their knowledge to develop practical solutions. He emphasized that AI and digital skills play a vital role in enhancing students' employability and

preparing them for future career opportunities.""On the occasion, the Principal also appreciated and felicitated the trainers, Praveen and Shashank, for their valuable guidance and effective training. Coordinator Amarnath was also appreciated for his efforts in coordinating the programme and supporting the students throughout the workshop.""The initiative reflects Aditya Degree College's commitment to providing industry-oriented learning experiences and bridging the gap between academic knowledge and practical skills. Through collaborations with organizations such as IBM and Magic Bus, the college continues to encourage students to embrace technological advancements and develop the competencies required for a successful professional career.""The programme concluded on a positive note, with students gaining valuable exposure to Artificial Intelligence and practical website development.

Aditya Degree College Celebrates Sardar Vallabhbhai Patel Jayanti Students Take National Unity Pledge

LB Nagar,""Aditya Degree College, LB Nagar, celebrated the birth anniversary of Sardar Vallabhbhai Patel, India's first Deputy Prime Minister and the Iron Man of India, by organizing a special programme highlighting the importance of national unity and integrity.""As part of the celebrations, students took the National Unity Pledge, affirming their commitment to preserving the unity, integrity, and security of the nation. The programme emphasized the significance of national integration, mutual respect, and collective responsibility in building a strong and united India.""The college highlighted the remarkable contribution of Sardar Vallabhbhai Patel, who played a pivotal role in integrating the princely states after India's independence. His vision, leadership, and dedication to national unity continue to inspire generations of Indians.""Speaking on the occasion, Principal R. Nagendra Babu emphasized the importance of instilling patriotism, national responsibility, and unity among students. He encouraged them to rise above caste, religious, and regional differences and contribute positively to the development of the nation.""The programme served as a reminder that national unity is the foundation of a strong and progressive India. Through such initiatives, Aditya Degree College continues to encourage students to develop civic responsibility, patriotic values, and respect for the country's rich diversity.""The celebrations concluded with a renewed commitment by students to uphold the unity and integrity of India.

Fluke Deepens Commitment to India with New Local Manufacturing Capabilities

“““““Hyderabad:“““““Fluke Corporation announced the launch of a new local manufacturing initiative in India, marking an important milestone in expanding its manufacturing capability within the country and reinforcing its long-term commitment to the market. The initiative aligns with the Government of India’s Make in India programme and reflects Fluke’s ambition to deepen its contribution to the country’s growing industrial ecosystem.“Anchored in “Proudly Progressing with India,” Fluke’s broader vision reflecting its commitment to India’s industrial growth and transformation, the initiative marks a step forward in the company’s efforts to deepen its participation in the Indian market. By building manufacturing capabilities in India, Fluke aims to strengthen its engagement with the customers, industries and technical professionals it serves, while contributing to the country’s evolving industrial ecosystem.“As India advances across manufacturing, infrastructure, energy and technology, the need for precision measurement, safety and reliability continues to grow. Through this initiative, Fluke aims to build manufacturing capabilities closer to the market, aligning its operations with the evolving needs of India’s industrial sector while maintaining its global standards of quality, reliability and precision.“Commenting on the launch, Parker Burke, President, Fluke Corporation, said, “India is an increasingly important market for Fluke, and our progression from Class-II to Class-I Local Supplier status marks a significant milestone in our journey. We are proud to be at the forefront of investment in India’s growing industrial market, building on the strength of our local team and increasing our manufacturing presence. This investment aligns with our global strategy of investing in the countries where our customers live and work, reinforcing our long-term commitment to the country.”“““The first phase of the initiative introduces manufacturing capability in India associated with the Fluke 115 and Fluke 117 digital multimeters. A key milestone is the local manufacture of the Printed Circuit Board Assembly (PCBA), a critical electronic assembly within these products. The development marks the initial step in Fluke’s broader efforts to expand local manufacturing capabilities and strengthen its participation in India’s industrial ecosystem.
